

IMMACULATA SCHOOL UNIFORM REGULATIONS

The Immaculata uniform, which is considered a reflection of the school's value system, is accepted by students and parents when children are registered in the school. When worn properly, the uniform projects an attitude of pride and readiness for learning. It helps students to be neat and clean and eliminates the social and economic pressure of keeping up with the latest styles on a daily basis. All students in Grades Pre-K-8 are expected to wear the entire uniform.
